

**AJAX FIORI**

**SELF LOADING  
SITE DUMPER**

**DX 25 SL**

Short turning radius: 4.2 meters

Oscillation

Hydraulic powered self loading

Ergonomic Controls

Articulation angle : 30 degrees

Loading shovel

**ENGINE:**

Mahindra & Mahindra water cooled 4 stroke diesel engine - 28.7 kw @2600 rpm  
BS III CEV Emission Certified.

**CHASSIS:**

Articulated, High tensile steel welded "C" type construction.

**TRANSMISSION:**

4 wheel drive, with hydrostatic transmission.  
Electro-hydraulic control for "slow" & "fast" speeds.  
Vehicle speed - 0 to 6 Kmph (Low)  
0 to 11 Kmph (High)

**AXLES:**

Full floating hypoid type fixed front and rear axle.

**BRAKES**

Power braking with oil cooled disc type brakes on all 4 wheels actuated by independent pump.  
Hand operated parking brake by cable.

**ELECTRICAL SYSTEM**

Battery: 12V, 80 Amp-hr.  
Complete lighting & signaling system as per CMVR standards.

**HYDRAULIC SYSTEM**

Gear type pump control in the cylinder to lift the skip body  
Output: 18.28 lpm  
pressure : 160 bar

**STEERING**

Fully powered hydraulic steering by cylinder, operated through independent gear pump.

**SELF LOADING SYSTEM:**

Single joystick controlled hydrostatic cylinders operated loading shovel of 165 L.

**SKIP**

Heaped capacity : 1585 ltrs  
Struck capacity : 1240 ltrs

**SERVICE REFILL CAPACITIES**

Fuel tank : 34 litres  
Hydraulic tank : 45 litres

**WHEEL**

Tyre : 10.0/75-15.3 - 18 PR  
Rim size : 9 x 15

**WEIGHT**

Net vehicle weight : 2300 kgs  
Gross vehicle weight : 4800 kgs

Specifications are subject to change without prior notice
