

Sideboard Extensions

The Hydex side extension modification has been designed to offer increased capacity to the standard CAT® articulated truck dump body. These extensions can be used to improve your application by reducing spoil spillage when carrying a standard sized load or increasing the volumetric capacity if a lighter material is being carried.

- Available for 725, 730, 735 and 740 Cat® Articulated Dump Trucks
- Welded or removable bolt-on design using Cat® hardware
- Height options range from 150 mm to 300 mm
- Optional extended tailboard and headboard infill
- Two piece extension for easy fitment, handling and transportation.
